## WRITING PROMPT: PREFERRED PRONOUNS

The easiest way to find out how someone likes to be referred to is to ask them. Consider what pronouns you prefer and check with those close to you how they like to be referred to. What are some ways that we can be sure to check in with people on their preferred pronouns? After what we've read and learned, why are preferred pronouns important? Share your experiences and thoughts on these questions in 1-2 paragraphs.
