

# SCENARIO FIVE

In groups of four or five, read the following phrases. These statements and questions are an attempt to try and talk about race, however they are not worded the best. As a group, decide a better way of phrasing these statements and questions.

---

1. You don't look like you're from here. Where are you from?
2. Why does your culture wear funny clothing?
3. I don't understand racism. Can you tell me about it?
4. Do people judge you because of your race?
5. Is it true that [stereotype] is a part of your culture?
